

Costume Look Book Guide

Makeup:

Makeup should complement the dancer's physical features. Darker eyeshadows, eyeliners, blush and false eyelashes are required, and allow us to be able to see them from far away. Generally when it comes to stage makeup there is no such thing as too much! If you feel that you look crazy, you're probably in the right zone!

Required Lipsticks:

- RED: Maybelline Super Stay Matte Ink Pioneer (Color 20)
- PINK: Maybelline Super Stay Matte Ink Romantic (Color 30)
- BURGUNDY: Maybelline Super Stay Matte Ink Founder (Color 115)
- BLACK: Maybelline Super Stay Matte Ink (Color 285)

Can be found at Walmart, Target, CVS, Walgreens, Etc.

Hair:

ABSOLUTELY NO FLY AWAYS. Your hair needs to be slick to your head unless the style requested has a desired messy look. If you can brush through the hair on your head easily, then it is not slick enough! It should feel like a helmet!

Suggested Products:

- Samnyte Hair Wax Stick (Amazon)
- TRESemme Extra Hold Hairspray (Walmart, CVS, Target)
- Hair Ties (Dancer's hair color)
- Bobby Pins (Dancer's Hair color)
- Goody Total Smoothing Brush (Amazon)
- Small Comb (Amazon)

Shoes & Tights:

Shoes & Tights should be reasonably clean. Please NO HOLES in any shoes or tights. Please make sure your shoes & tights match your dancers skin color (unless otherwise specified)! This allows for us to see their lines properly and allows for a clean, professional presentation of our studio on stage.
